JOSH MENZIES 417-425-5659

I am pleased to invite you to our production sale on October 14 at the Springfield Livestock marketing facility. What a time to be in the cattle business. With the drought still persisting in a big part of the country, cows are still being culled, and few heifers are being retained. Calf prices are at historical highs, and with LRP you can lock in a price on that calf before it's born. I believe this is quite the opportunity.

We have a set of Bullet Proof coming 2-year-old bulls ready to go to work. These bulls are bred for high maternal characteristics, carcass, and growth.

The bred heifers are out of our commercial cows, sired and bred by our bulls. They've been pelvic measured and calf hood vaccinated—super nice set.

Do not hesitate to contact us with any questions.

*Thank you,
Josh Menzies*

BIDDING All cattle offered for sale will be sold to the highest bidder. The auctioneer will settle any disputes with regards to bids and his decision will be final.

ANNOUNCEMENTS Corrections or additions of any information in the sale catalog will be announced from the auction stand prior to the selling of the animal and such announcements will take precedence over any printed material.

GENETIC ABNORMALITIES Animals that are carriers of known genetic abnormalities will be either so indicated in the sale catalog, announced from the auction block or both.

PAYMENT TERMS All sales are for immediate cash settlement unless other credit arrangements have been established between buyer and seller prior to the sale.

BUYER'S RISK The animal becomes the property and risk of the buyer as soon as sold but it shall be the responsibility of the seller to see that animals are properly cared for, free of charge to purchaser, until delivered to buyer or until the expiration of 24 hours after the sale, whichever comes first.

CERTIFICATE OF REGISTRATION Seller shall transfer a breeding animal to buyer within 10 days of settlement. The seller guarantees that the animal is registered according to the rules of the American Hereford Association or the American Angus Association. If a female is sold bred and carrying the service of bulls requiring AI certificates, said AI certificates shall be provided by the seller unless otherwise stated.

EXPECTED PROGENY DIFFERENCES (EPDs) Expected progeny differences are statistical predictions or estimates of expected performance of future progeny, not guarantees of performance.

HEALTH All animals will be eligible for interstate shipment as required by federal regulation. Buyers should be aware of their own state's specific health requirements.

BREEDING GUARANTEES All animals are guaranteed to be breeders with the exception of (a) calves under 12 months of age at time of purchase; (b) any female that is placed in an embryo transplant program and subjected to super-ovulation; or (c) gross negligence on the part of the buyer. Sellers guarantee that bulls are breeders. All bulls have passed a breeding soundness exam performed by a competent veterinarian. Females sold as safe in calf have been examined by a competent veterinarian. Open females are guaranteed to be without calf. Any agreement with respect to Embryo Transfer production shall be a separate agreement between buyer and seller.

GENETIC ABNORMALITY POLICY

1. Seller will be responsible for informing buyers of all known information relative to genetic abnormalities.
2. Buyer will assume all risk associated with the purchase of known and unknown genetic abnormality carrier animals provided the seller has disclosed all known information relative to said genetic abnormalities.
3. Seller is not responsible for any new genetic abnormalities that are recognized by the American Hereford Association after the sale of an animal or genetic material.

THE AFOREMENTIONED TERMS AND CONDITIONS SHALL CONSTITUTE A CONTRACT BETWEEN THE PURCHASER AND SELLER OF EACH ANIMAL SOLD UNDER THESE TERMS AND SHALL BE BINDING UPON BOTH. ANIMALS RESOLD FOLLOWING PURCHASE IN A SALE SHALL CONSTITUTE A SEPARATE TRANSACTION AND THE PRIVILEGES AND OBLIGATIONS OF THE ORIGINAL TWO PARTIES CONNECTED THERETO ARE NOT COVERED BY THE TERMS AND CONDITIONS OF THIS SALE.
